Nutrition Labeling is a service you can afford.

Beef-Pork-Poultry **Game Meats** **Pasta** **Fruits** **Seafood** **Desserts** **Vegetables**

Meat and poultry, game and fowl, seafood, desserts, soups, salads, pasta, sauces and many more products can reflect nutrition facts.

The Genesis Nutrition Labeling Formulation Database meets USDA and FDA criteria. With each recipe analyzed, you will receive a camera-ready label format and food list with spreadsheet. A signed agreement guarantees complete confidentiality.

Comply with Canadian regulations and label values in English and French.

An **Ingredient Form** is required for each recipe you would like to have analyzed. Please make copies as needed. The signed **Confidentiality Agreement,** along with payment, is required when recipes are submitted. Basic instructions are also enclosed.

If you have any questions regarding AAMP's Nutrition Labeling Service or the enclosed forms, please contact Nancy Matako at (717) 367-1168, toll free at (877) 877-0168, or email nvm@aamp.com.

Be competitive in today's marketplace and provide your customers with nutrition facts. Take advantage of AAMP's Nutrition Labeling Service at a reasonable price with a quick turn-around time.
