ACMC Registration

Thursday, July 25, 2019

9:30 a.m. – 2:00 p.m.

Arthur R. Outlaw Mobile Convention Center
East Ballroom, 2nd Level, Convention Center

Dear AAMP Member,

Thank you for your interest in the American Cured Meat Championships (ACMC), the only event of its kind in North America.

Just like last year's AAMP convention in Kansas City, we are employing the computerized registration system for the ACMC. Utilizing this system, you no longer have to pre-register for the ACMC. Simply complete the registration forms enclosed in this letter and bring it with you on Thursday, July 25, along with your payment. AAMP will accept cash, check, or credit card at registration. Copies of the form are accessible on our website and will be available on-site in Mobile, as well.

To help streamline the amount of time it takes for processors to enter product into the show, we will once again have two separate registration lines at the ACMC – one line for those with 10 products or less, and one line for those with 11 products or more. This should help reduce wait times for the ACMC and make it an overall better experience for you, the member.

On-site registration is \$20, per product. There are 29 classes to enter into this year at the ACMC, including the Featured Class, *Specialty Liver & Loaf Product*. Please review the rules carefully for each class of entry.

We look forward to seeing you at this year's AAMP convention and ACMC. If you have any questions, please don't hesitate to call the AAMP office at 717-367-1168.

Thank you,

Diana Dietz
